Dear Governor Dimaporo,

Greetings of Peace and Prosperity!

With our commitment in forging educational growth, cultural and creative empowerment and supporting Iligan and Lanao's creative economy, Lanao del Norte is in our United Nations' Creative Cities initiatives. A series of PAKIGHIMAMAT CREATIVE DIALOGUE: A Lunsod Lunsad Discourse is now in the pipeline as part of the community-based mapping approach. This initiative aims to foster academic and creative communities across Iligan and Lanao Provinces in a dialogue on the economics of culture and creativity following the Philippine Creative Industry Development Act (PCIDA), where the creative economy is at the core of the movement. Students and educators are encouraged to engage with the global creative movement and contribute to strengthening our local creative industry.

The City Government of Iligan, through the Center for Digital Iligan, Innovation, and Sustainability, and DTI Lanao del Norte formally request your office, as the Chairperson of the Lanao del Norte ICT, Creative and Innovation Council, Special Program in the Arts (SPA) schools within the province to take part.. With your perusal, we would like to seek assistance to connect with the Division of Lanao del Norte regarding this matter.

- **Morning (AM) Session – Kapatagan National High School**
- **Afternoon (PM) Session – Lala National High School**

To facilitate participation, please have interested individuals and institutions register and schedule their orientation through the following Google form: <https://bit.ly/Pakighamat>.

We believe this dialogue will be an enriching experience for the academic community, providing valuable insights into the economics of creativity and its impact on local and global socio-economic landscapes. Your support for this is crucial to shaping the province's culture and creative industry development.
