In connection with the letter dated 18 March 2021 on Package E of Public - Private Partnership for School Infrastructure Project Phase 2 (PSIP II), the Department of Education (DepEd) hereby approves the exclusion of 107 sub-projects (SPs)/270 classrooms from the said program.

Based on the official record of the Education Facilities Division (EFD), there are currently **81 idle SPs** (equivalent to 212 Classrooms) which are subject for demolition. For more details, kindly refer to the attached document.

Given this, the Proponent is hereby instructed to carry out the said demolition. Section 12.10.g of the Build-And-Transfer (BT) Agreement states, "A Sub-Project which, by its Final Rectification Deadline, has not yet passed either the Punch List Inspection or Rectification Inspection, and which has not previously been Excluded, shall be Excluded. For any Excluded Sub-Project under this paragraph, the Proponent will be liable for Liquidated Damages as calculated in Section 18.0. DepEd shall have the option to either require the Proponent to remove or demolish the Sub-Project Construction Works from the Project Site, at the Proponent's cost, within a period of thirty (30) days from the date when the DepEd notifies the Proponent of this requirement, or to take ownership of such Construction works without any further payment from DepEd to Proponent. Any Construction works required for removal or demolition, but which are not removed or demolished within the 30-day timeframe,
