Enclosure I

GUIDELINES ON ENSURING EFFECTIVE MANAGEMENT OF SCHOLARSHIP PROCESSES

I. RATIONALE

Pursuant to Civil Service Commission (CSC) Memorandum Circular No. 10, s. 1989, which mandates the establishment of a Personnel Development Committee (PDC) in all government agencies to plan, manage, and oversee personnel development programs, the Department of Education (DepEd) Central Office, through the Bureau of Human Resource and Organizational Development (BHROD) in coordination with the National Educators Academy of the Philippines (NEAP), issued Office Order No. OO-OSEC-2021-045 dated 09 December 2021, prescribing the composition of the PDC at the Central Office level.

However, the PDC established under the said Office Order applies only to the Central Office. To ensure consistency, coherence, and effective implementation of personnel development initiatives across all governance levels, there is a need to require all Regional Offices and Schools Division Offices to establish and submit the structure and composition of their respective PDCs.

At every level of governance, the PDC shall be organized to serve as the review and recommending body responsible for examining and analyzing proposed policies, guidelines, plans, and other outputs of the Learning and Development (L&D) System. It shall also recommend improvements and endorse such outputs to the head of office for approval. Scholarship Committees, constituted as subcommittees of the PDC, shall assist in facilitating a transparent, systematic, and merit-based selection of the most qualified personnel for scholarship opportunities.

Further, pursuant to DepEd Order No. 011, s. 2019, titled "Implementation of the NEAP Transformation," as reiterated in OO-OSEC-2021-045, the oversight of professional development for DepEd personnel is clearly delineated. The BHROD shall oversee professional development programs for non-teaching personnel, while the NEAP shall oversee and manage professional development interventions for public school elementary, secondary, and senior high school teachers, as well as education leaders nationwide.

Moreover, there is a need to institutionalize a standardized scholarship management process across all levels of governance to ensure the effective administration, monitoring, and evaluation of scholarship programs. A clearly defined process shall provide guidance on the identification, selection, endorsement, monitoring, and
