DIVISION MEMORANDUM

No. 37, s. 2026

DISSEMINATION OF THE REQUEST FOR SCHOOL DATA FOR THE
CONDUCT OF LYMPHATIC FILARIASIS TRANSMISSION
ASSESSMENT SURVEY 3 (TAS 3)

To: Assistant Schools Division Superintendent
Chief, CID and SGOD
Public Schools District Supervisors
Public and Private Elementary School Heads
School Health Personnel
All Others Concerned

1. Relative to the letter from the Department of Health – Center for Health Development Northern Mindanao dated June 22, 2026, regarding the **Request for School Data for the Conduct of Lymphatic Filariasis Transmission Assessment Survey 3 (TAS 3)**, this Office requests all public and private elementary schools to provide the required data to support the planning and implementation of the survey in the Province of Lanao del Norte.

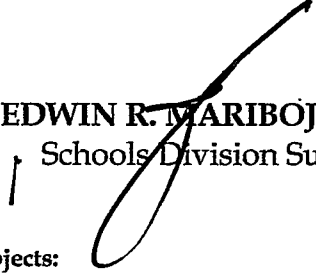

2. All concerned schools are directed to accomplish and submit the prescribed data matrix through the Google Form using the link below **on or before July 17, 2026**, to facilitate the timely consolidation and submission of the requested data to the Department of Health.

Google Form/link: <https://tinyurl.com/LymphaticFilariasisTAS>

3. School Heads are advised to coordinate with their respective District Nurses to ensure the accuracy and completeness of the submitted data prior to submission.

5. Attached is the Department of Health request letter for reference and guidance.

6. Immediate dissemination of and strict compliance with this Memorandum are hereby directed.

Subject: Request for School Data for the Conduct of Lymphatic Filariasis Transmission Assessment Survey 3 (TAS 3)

Dear Superintendent Maribojoc,

Greetings!

The Department of Health – Center for Health Development Northern Mindanao (DOHCHD NM), in partnership with the Provincial Health Office of Lanao del Norte, is preparing for the conduct of the Lymphatic Filariasis Transmission Assessment Survey 3 (TAS 3) in the Province of Lanao del Norte, tentatively scheduled from July to September 2026. The survey is a critical component of the national program to verify the sustained interruption of lymphatic filariasis transmission and to support the country's efforts toward the elimination of the disease as a public health problem.

In this regard, may we respectfully request your assistance in providing the following data to facilitate the planning and implementation of the survey:

1. Names of all primary public and private schools in the Province of Lanao del Norte;
2. Total number of students enrolled in Grades 1 and 2 (6–7 years old) in each school;
3. Primary school enrollment rate; and
4. Primary school absenteeism rate.

The requested information will be used to determine the survey sampling frame, select survey sites, estimate the target population, and ensure compliance with the survey methodology prescribed by the World Health Organization and the Department of Health.

We would greatly appreciate receiving the requested data at your earliest convenience to allow sufficient time for survey preparation and coordination with the concerned stakeholders. Rest assured that all information provided shall be used solely for official program purposes and handled in accordance with applicable data privacy and confidentiality policies. Should you require further clarification, please feel free to coordinate with Ms. Wynli F Ancog at cellular phone numbers 0917-849-3773.

Thank you for your continued support and partnership in promoting the health and well-being of our school-aged children. We look forward to your favorable response.

"Kayang – kaya, basta't sama-sama!"

Very truly yours,

SULPICIO HENRY M. LEGASPI, MD, MPH, FPSMS, CESO IV
Director IV
