Attention: **Schools Division Superintendent**

Dear Director **Bayocot**:

Greetings!

The Department of Health Northern Mindanao would like to express our heartfelt gratitude for your invaluable partnership in ensuring the success of the School-Based Immunization (SBI) implementation across Northern Mindanao. Through this collaboration, we successfully vaccinated Grade 1 and Grade 7 learners against Measles-Rubella and Tetanus-Diphtheria, as well as Grade 4 female learners against Human Papillomavirus (HPV), providing essential protection to our students.

Please refer to the attached Annex A for a detailed summary of accomplishments.

In recognition of the significant efforts and contributions of the participating schools and teachers, we kindly request the names of the Grade 1, Grade 4, and Grade 7 teachers from these schools. This will serve as our reference for the distribution of Certificates of Recognition.

Participating schools may submit the names of their teachers by completing the form through this link: bit.ly/SBICertTeachers2024.

Thank you for your continued support and commitment to protecting the health of our students. Together, we are ensuring a brighter and healthier future for the children of Northern Mindanao.

Very truly yours,

SULPICIO HENRY M. LEGASPI, JR., MD, MPH, FPSMS, CESO IV
