All Others Concerned

1. Pursuant to Memorandum BLR-2026-07-1851 on the Distribution of Reading Materials for Key Stage 1 (Kindergarten to Grade 3) Learners, this Office, through the Curriculum Implementation Division (CID) under Project DeSIRE, hereby informs the field of the distribution of reading materials intended for Key Stage 1 learners for the current school year.
2. These materials are provided to ensure that learners have timely access to resources that will enhance reading proficiency, strengthen literacy skills, and support learning continuity. They are particularly beneficial during class suspensions, disaster situations, emergencies, and other circumstances that may disrupt regular classroom instruction. The availability of storybooks and other reading materials at home will help sustain literacy development and encourage reading engagement beyond the school setting.
3. In view of this, school heads are reminded to ensure that all learners receive the distributed materials at a ratio of two (2) titles per learner. Should the allocated materials be insufficient, schools are expected to implement appropriate measures to ensure that every learner is provided with at least one reading material to bring home. Furthermore, proper documentation, including photo documentation of the distribution activities, shall be undertaken and maintained for record purposes.
4. The distribution list by drop-off point and school may be accessed through the following link: <https://bit.ly/46mvrRK>.
