Public Schools District Supervisors/ District In-charge
Elementary and Secondary School Heads
All Others Concerned
This Division

1. Relative to Memorandum OUF-2026-2152, released the guidelines for the implementation of the Joint Delivery Voucher Program (JDVP) for School Year 2026-2027. The program aims to provide eligible public Senior High School learners with targeted Technical-Vocational-Livelihood (TVL) training in partnership with accredited Technical-Vocational Institutions (TVIs).
2. In this connection, all seventeen (17) public Senior High Schools offering the SHS-TVL Program in the Schools Division of Lanao del Norte are directed to undertake the necessary preparations and ensure prompt compliance with the requirements for the implementation of the JDVP. The list of schools is in enclosure
3. The following schedules and requirements shall be observed:

3.1 Deployment of Learners for JDVP Enhancement Training

The Central Office has set October 1, 2026 as the schedule for the deployment of JDVP learner-beneficiaries to partner TVIs.

However, the Division may exercise flexibility in adjusting the deployment schedule, provided that the required 320 hours of JDVP training are completed within the prescribed implementation period. For Division monitoring purposes, all participating schools shall work toward completing the 320-hour training by December 4, 2026.

3.2 Least Mastered Competencies

The least mastered competencies identified in Annex 4 shall be carefully reviewed by the schools and communicated to their respective target TVI partners.

The TVIs shall consider these least mastered competencies in preparing and designing the learners' training plan. The training provided should respond to the identified competency gaps of the learners.

3.3 JDVP Master List

All schools shall ensure the accuracy and completeness of their JDVP learner master lists and use the prescribed templates. The Central Office memorandum provides standardized master list templates for eligible learners under the 2016 K to 12 Curriculum and the Pilot Strengthened Senior High School Curriculum.

Schools shall also take note that replacement of learner-beneficiaries is no longer allowed once the 320-hour specialized training has officially commenced.

3.4 JDVP Online Billing System

All concerned personnel shall prepare for the implementation and utilization of the JDVP Online Billing System (JOBS). The system shall be used for learner profiling, master list validation, billing generation, and monitoring of JDVP transactions.

An orientation for all concerned school heads and TVL coordinators will be conducted in due time once the JOBS Portal is ready for rollout.

3.5 Grading and Assessment

For learners under the 2016 K to 12 Curriculum, JDVP training does not constitute a separate subject grade. The JDVP Performance Evaluation Tool for Learners may be used to contribute to the learner's overall grade in the specific TVL specialization.

4. All School Heads and JDVP Focal Persons are directed to closely coordinate with their respective TVI partners and ensure that all documentary, scheduling, training, and monitoring requirements are completed within the prescribed timelines.
5. Related concerns may be relayed to Rotsen V. Escorial, EdD, DPed, DM EPS-EPP/TLE/TVL and Division JDVP Focal Persons at 09627401525.
6. Immediate dissemination of this Memorandum is immensely desired.
