Dear Superintendent Oplenaria:

Good day!

The National Electrification Administration has enjoined all Electric Cooperatives including LANECO to undertake the necessary activities to ensure adequate and reliable power supply throughout the country before, during and after the May 2022 national and local elections.

With this, we would like to request for the list of possible schools that will be utilized as voting/polling center so that we could take the necessary measures such as inspection of electrical wirings in preparation for the said elections.

May we also request to have the copy on or before February 21, 2022 to give us ample time to schedule our activities.

Thank you for your usual support and continued partnership in the rural electrification program.

Very truly yours,

ZENaida M. FABUNAN, MBA
OIC of the Cooperative
