Sir:

Greetings of Peace!

The Philippine government, through its Vaccine Cluster-Task Group on Demand Generation and Communications, together with its partner agencies, has been organizing series of activities in response to the COVID-19 pandemic health concern. As a matter of fact, a webinar series (AKAP Guro CONNECTed's COVID-19 Vaccines Education Campaign) participated by representatives from your agency has been conducted to equip the general public with the correct and timely information about the Philippine government's vaccination plan straight from the country's medical and scientific experts.

In line with this, may we request for DepEd-LDN's participation by giving out the needed employees' personal data, necessary to facilitate the registration of your personnel in the Vaccine Information Monitoring System-Immunization Registry (VIMS-IR). The generation of employee master list is in accordance to the directive stated in the PHILIPPINE NATIONAL DEPLOYMENT AND VACCINATION PLAN for COVID-19 vaccines. The master listing of personnel aims to make the plan inclusive for all eligible population in which DepEd is considered one of the essential workforces.

Thank you for your continuing support.

Very truly yours,

MARJUETA ISABEL L. OPAMEN, M.D.
Provincial Health Officer I
