SDS EDILBERTO OPLENARIA

Schools Division Superintendent

Department of Education-Division of Lanao del Norte
Tubod, Lanao del Norte

Dear SDS Oplenaria:

Greetings of Peace!

Mass drug administration (MDA) involves giving treatment to every member of eligible population. MDAs are vital to help control and eliminate neglected tropical diseases (NTDs). Thus, Treating all eligible people in a population regularly ensures that those who are infected are treated, and that those who aren't are protected from future infection.

In this connection, we would like to request your good office to provide the Provincial Health Office of the Masterlists of all enrolled eligible pupils per District per School from Kinder up to Senior High School Students. These masterlists will be utilized during the Mass Drug Administration in our province this coming July 2021.

Thank you for your usual support.

Very truly yours,

DR. MARUJETA ISABEL L. OPAMEN
Provincial Health Officer I
Lanao del Norte
