**SUBJECT :** **Nationwide Online Survey on Medical Condition of DepEd Personnel (Cancer-Related Conditions)**

**DATE :** 14 April 2026

In line with the Department of Education's commitment to the welfare and well-being of its personnel and in observance of the **Presidential Proclamation No. 1676, s. 2008**, declaring the fourth week of April as Head and Neck Consciousness Week, the Bureau of Human Resource and Organizational Development–Employee Welfare Division (BHROD–EWD) will conduct an online survey this April to gather baseline data and better understand the experiences of DepEd employees who have been diagnosed with cancer.

This initiative aims to generate reliable, evidence-based information to guide the development and enhancement of responsive welfare and wellness programs, policies, and support mechanisms for affected personnel. The Department seeks to ensure that interventions address not only medical needs but also emotional, social, and work-related challenges.

Specifically, the survey will:

- Determine the number of personnel diagnosed with cancer across all types;
- Identify the various forms of cancer experienced by respondents, including but not limited to breast, lung, cervical, colorectal, prostate, hematologic, and other types not explicitly listed;
