DIVISION MEMORANDUM

No. 359, s. 2026

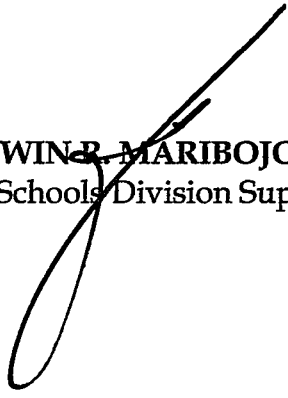

**PARTICIPATION OF SCIENCE TEACHERS IN THE "TEACHING SCIENCE
BEYOND THE CLASSROOM THROUGH PSC EXHIBITS-BASED LEARNING
AND LAB-IN-A-BOX" TRAINING**

To: Assistant Schools Division Superintendent
Public Schools District Supervisors/District In-charge
Elementary and Secondary School Heads
All Teachers Concerned

1. In reference to the training program of DOST-SOCCSKSARGEN titled "**Teaching Science Beyond the Classroom Through PSC Exhibits-Based Learning and Lab-In-A-Box**," this Office informs all concerned of the participation of selected science teachers in the said activity.
2. The training will be held on August 1-2, 2026 (Saturday-Sunday) at MSU-Marawi City. The activity aims to equip teachers with innovative pedagogical approaches and hands-on techniques to enhance science instruction beyond the traditional classroom setting.
3. This two-day day teachers' Upskilling will feature interactive and integrative learning approaches complemented by Lab kits and learning resource materials including teachers guide, exhibit manuals and access to Philippine Science Centrum (PSC) educational videos.
4. The participating teachers are required to register on or before July 24, 2026 through https://docs.google.com/spreadsheets/d/1qMSnGeLCf_10PuGCYrD4y3PpjTqcmu61/edit?gid=620135641#gid=620135641.
5. Meals (breakfast, lunch, dinner, and snacks) and accommodation from July 31 to August 2, 2026 shall be provided under the project. Transportation expenses of the participating teachers shall be charged against the school's Maintenance and Other Operating Expenses (MOOE) or other available local funds, subject to the usual accounting and auditing rules and regulations.
6. School Heads are directed to ensure that the teaching loads of the participants are properly managed and that their participation will not disrupt the regular school operations and classes.

6. For proper coordination and further clarification, please contact Rowena E. Lontayao, Division Science Supervisor at 09276383163 or at email add:rowena.lontayao001@deped.gov.ph

7. Immediate dissemination of and strict compliance with this Memorandum are hereby directed.

EDWIN R. MARIBOJOC, CESO V
Schools Division Superintendent

UPSKILLING SCIENCE PEACE PROGRAM PSC EXHIBIT

02 July 2026

DR. EDWIN R. MARIBOJOC, CESO V

Schools Division Superintendent

Department of Education-Division of Lanao del Norte

Pigcarangan, Tubod, Lanao del Norte

Dear Dr. Maribojoc:

Warm greetings!

The Department of Science and Technology – SOCCSKSARGEN (DOST-SOCCSKSARGEN), through its Community Empowerment through Science and Technology (CEST) Program and in close coordination with the Office of the Presidential Adviser on Peace, Reconciliation and Unity (OPAPRU), is currently implementing the **Science for Peace Program: Science and Technology Solutions for Peaceful and Productive Communities** in six (6) priority former conflict-affected camp areas in Mindanao.

The program delivers science, technology, and innovation (STI) interventions across key development sectors, including livelihood generation, health and nutrition, environmental protection, disaster risk reduction and climate resilience, water and sanitation, and human resource development.

As part of its human resource development component, DOST-SOCCSKSARGEN recognizes education as one of the most powerful instruments in building peaceful, resilient, and empowered communities. Teachers play a pivotal role in this transformation. By strengthening their competencies in science education, we enhance classroom instruction while cultivating among learners the curiosity, critical thinking, creativity, and problem-solving skills essential for becoming responsible citizens and future leaders.

In line with this, DOST-SOCCSKSARGEN will implement a series of capacity-building programs for science teachers from the six priority camp areas. The first training, entitled "**Teaching Science Beyond the Classroom through PSC Exhibit-Based Learning and Lab-in-a-Box**," will focus on innovative science and STEM education approaches. The training will be conducted by the Philippine Foundation for Science and Technology (PFST) through its resource person and three-time DOST Balik Scientist, **Prof. Corazon S. Salumbides**.

Through this initiative, DOST-SOCCSKSARGEN aims to complement the Department of Education's commitment to providing quality, equitable, and inclusive education while supporting the national government's efforts toward lasting peace and sustainable development.

Meantime, **Camp Bilal in Tangkal, Lanao del Norte** has been identified as the first beneficiary of this capacity-building initiative. In this regard, DOST-SOCCSKSARGEN respectfully invites the Department of Education Regional Office X, particularly the Schools Division of Lanao del Norte, to partner with us by endorsing and allowing the participation of **fifty (50) Science teachers from Grades 4 to 12**, with priority given to teachers from public schools serving the Camp Bilal area.

Postal Address: DOST XII, PNHLSC, Brgy. Paraiso

Tel: 083-826-0114

Website: <https://region12.dost.gov.ph/>

The two-day Teachers' Upskilling Training will feature interactive and integrative learning approaches complemented by Lab Kits and learning resource materials, including teachers' guides, exhibit manuals, and access to Philippine Science Centrum (PSC) educational videos through a Google Drive link.

The training is scheduled on **August 1–2, 2026 (Saturday–Sunday)** in **Marawi City**, with the exact venue to be announced.

Meals (breakfast, lunch, dinner, and snacks) and accommodation from **July 31 to August 3, 2026** shall be provided under the project. Transportation expenses of the participating teachers may be charged against the school's Maintenance and Other Operating Expenses (MOOE), subject to the usual accounting and auditing rules and regulations.

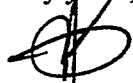

To further discuss the objectives, implementation arrangements, and partnership mechanisms for this initiative, DOST-SOCCSKSARGEN, together with PFST, respectfully requests an opportunity to meet with you, your Curriculum and Instruction Division Chief, and the Division Education Program Supervisor in Science through a Zoom meeting at your most convenient time between **July 6 and 10, 2026**.

We firmly believe that the active participation of the DepEd Schools Division of Lanao del Norte is vital to the success of this undertaking. Your Division's steadfast commitment to educational excellence and inclusive learning makes you an invaluable partner in our shared aspiration of transforming lives through science education.

We sincerely hope for your favorable consideration of this invitation. Together, let us empower our teachers, inspire our learners, and demonstrate that science education can serve not only as a pathway to academic excellence but also as a foundation for peace, resilience, and sustainable development.

We look forward to forging a meaningful partnership with the DepEd Schools Division of Lanao del Norte in advancing science for peace across Mindanao.

Very truly yours,

SAMMY P. MALAWAN
Regional Director
