**Dear Sir: Maribojoc,**

Warm greetings! We trust that all is well with you and your family.

**World Vision** is a global Christian relief, development and advocacy organization dedicated to working with children, families, and communities to overcome poverty and injustice. Inspired by our Christian faith and values, we are dedicated to working with the world's most vulnerable people. We serve and collaborate with all people regardless of religion, race, ethnicity, or gender.

We have been operating in the Philippines for 65 years serving the most vulnerable children, their families and communities. We are present in 28 provinces and 25 cities nationwide contributing to the well-being of over 3.1 million children in the last 3 years through our child-focused programs on health & nutrition, education, child protection, savings & livelihood, disaster risk reduction and values formation.

Here in the province of Lanao del Norte, we are currently serving some barangays of Balo-i and Lala municipalities. The programs that we implement in these areas are focused on building and strengthening the literacy skills of children, especially the most vulnerable learners. The said program is under the Unlock Literacy Project of the World Vision Development Foundation which has 4 main components, namely Reading Assessment, Teacher Training, Community Action, and Materials Creation.

We intend to make lasting and tangible impacts in the lives of the children, their families, and the communities we serve, and firmly believe that we could achieve this through strong partnerships with you. It is in this regard that we invite District Supervisor, School Principals and 4 teacher representatives or reading coordinators from Maria Cristina Central School, Pendulunan Elementary School, Nangka Integrated School, Balo-i Central School, Pacalundo Integrated School and Momungan Elementary School on September 10, 2025. For September 11, 2025 is another set of meeting for Lala District and the participants are District Supervisor, School Principals and 4 teachers representatives and reading coordinators from Maranding Central School, Saavedra Elementary School and Lanipao Central School to a one-day meeting to discuss points of collaboration. The meeting would also serve as a platform for all our education partners to engage with fellow education leaders, share insights, and contribute to the collective efforts to promote literacy and learning in our communities. Venue for Balo-i is at Balo-i Central School and for Lala is at Lanipao Central School.

We would be delighted to have you as our credible partner in our pursuit of providing children with a nurturing environment, in particular, helping them to acquire fundamental skills in literacy.
