PRODUCTION OF EDUCATIONAL VIDEOS IN EDUKASYON sa PAGPAPAKATAO

To: Public Schools District Supervisors/Coordinating School Principals
Secondary School Principals
Elementary School Principals
EsP District Lead Administrators
EsP Subject Coordinators
All Others Concerned

1. Teaching good values is indispensable as we mold learners to become good and productive citizens of the country. Establishing a strong foundation of values in their earlier years can influence them to make right decisions and develop a positive disposition in life. Knowing the importance of values in the holistic development of the learners, the need to strengthen the inculcation of the Filipino values is necessary.
2. In order to attain this, a 3-minute educational video depicting the Filipino values as shown in the important events in Philippine history and activities and celebrations mandated by law will be viewed by the learners every Monday before the start of the Edukasyon sa Pagpapakatao class.
3. The objectives of this activity are:
 - a. to inculcate to the learners the value/s of the month;
 - b. to let the learners be aware of the important events which have become part of Philippine history;
 - c. to showcase the heroism of some Filipinos who played significant roles in the country's history; and
 - d. to elicit learners' understanding of the values by applying them in their daily lives.
4. In view of this, each district is assigned one particular value for discussion. Sample education videos on values of the month can be accessed through the google drive on Values of the Month uploaded in the group chat of the EsP Lead Administrators and Secondary EsP subject coordinators.
5. Attached is the List of Activities and Celebrations Mandated by Law, Values of the Month and the District Assignment for reference.
6. For information and compliance.
