All Others Concerned

1. Teachers play a vital role in laying a strong foundation for learners, particularly in the area of reading. As facilitators of learning, it is essential that they are equipped with the necessary skills to ensure effective teaching and learning in the classroom. In line with this, the Curriculum Implementation Division of this Office will conduct a training entitled "Bridging the Gap: Targeted Approaches to Remedial Reading Instruction" on November 25-28, 2025, at FOC Food House and Catering Services, Poblacion, Baroy, Lanao del Norte.
2. The activity aims to achieve the following objectives:
  - a. orient teachers on the effective utilization of learning resources for teaching reading to learners in Key Stages 2 and 3;
  - b. provide guidance on the development of Individualized Reading Plans (IRPs) tailored to the specific needs of learners;
  - a. demonstrate evidence-based remedial reading strategies that can be applied in classroom settings; and
  - b. enhance the capacity of participants to conduct Learning Action Cell (LAC) sessions focused on remedial reading strategies at the district level.
3. Each district is requested to indicate the names of the participants based on the number of teacher allocations indicated in the provided link (<https://tinyurl.com/23s922s3>). To ensure equal opportunities for professional development, participants must not have attended similar training. In cases where a selected participant is unable to attend due to equally important commitments, the school head is encouraged to designate a replacement from the same district to fill the vacant slot.

4. In view of the conduct of this training, a pre-work conference shall be conducted to all resource speakers and members of the technical group on November 13, 2025 at 8:30 in the morning at Fausto Alvia Memorial Elementary School, Baroy, Lanao del Norte.
5. Travel and other related expenses incurred relative to the conduct of the activity shall be charged against school MOOE and other local funds subject to usual accounting and auditing rules.
6. Attached is the list of resource speakers and members of the technical working group for reference.
7. Widest dissemination of this Memorandum is highly enjoined.
