To: Public Schools District Supervisors/ Coordinating School Principals
Division ALS Coordinator
Public Secondary School Heads
Public Elementary School Heads
All Others Concerned

1. Teachers play a very crucial role in establishing a good foundation of knowledge for the learners, especially in reading. As facilitators of learning, they must be equipped with the necessary skills to make teaching-learning effective in the classroom. In view of this, this Office, through the Curriculum Implementation Division, shall conduct an Upskilling of Teachers on the Remedial Reading Strategies at Evergreen Garden Function Hall, Esperanza, Bacolod, Lanao del Norte on the following dates:

Batch 1 - October 8, 2025
Batch 2 - October 9, 2025
Batch 3 - October 10, 2025

2. The activity aims to:

- a. orient the teachers on the utilization of the learning resources in teaching reading for key stage 2 and 3 learners;
- b. orient teachers on the crafting of Individualized Reading Plan;
- c. demonstrate the strategy in teaching beginning reading using the Fuller Approach; and
- d. capacitate the participants in the conduct of LAC session on Fuller Approach at the school level.

3. Participants are requested to follow the schedule as outlined in the attached list, which indicates the food allocation per batch. In the event that a participant is unable to attend the training due to an equally important

engagement, the school head or a teacher from the same school is expected to replace to fill the slot.

4. Travel and other related expenses incurred relative to the conduct of the activity shall be charged against school MOOE and other local funds subject to usual accounting and auditing rules.

5. Attached is the list of participants per batch, working committees and training matrix for reference. These documents are also accessible at the following links:
